## THE SERIES

A European Commission initiative, which aims to raise awareness amongst young people about tobacco issues, the "Helpers" is an animated series of 12 episodes. The first season is broadcast online from the 15th October 2009.

The series depicts 3 super-heroes who try to save smokers and non-smokers from the negative effects of tobacco, by giving them absurd tips and advice. Chuck, Skinny and Loona, accompanied by Tapas, a masochistic freak of nature that won't leave them alone, unify their strengths for better and for worst.
